FOR IMMEDIATE RELEASE:

Mar-Mac Announces New Texas Warehouse Facility

January 21, 2008

McBee, South Carolina - Mar-Mac Wire, Inc., announces the opening of their new warehouse facility in Denison, Texas. According to Andy Johnson of Mar-Mac Wire, "We understand from listening to the needs of our customers just how important the timely delivery of our wire products can be. We are now able to ship directly into the southwest and midwestern USA from our full-service Denison facility. This will enable us to provide the convenience of 2 or 3 day delivery to our customers in these key locations with LTL truck service."

Mar-Mac's new Texas warehouse can now serve locations like San Diego, Phoenix, Albuquerque, Denver, Des Moines, plus many more markets much faster than before.

Mar-Mac Wire's new Denison, Texas warehouse is located just minutes from US 75, and less than a half-hour from Interstate 35. This close proximity provides Mar-Mac customers in midwestern and western states much faster product delivery than before.

Mar-Mac's Andy Johnson stated, "The cost of freight resulting from increased fuel prices has become a burden on everyone, and we realize the same concerns facing our business are not unique. Our investment in the new Denison facility can help stabilize shipping costs, and enhance delivery of our quality wire products to our customers."

For more information about Mar-Mac Wire's new delivery options, or questions about any of our fine products, please call our Denison facility at (903) 465-4222, and as always, you can reach our Sales Department at (800) 541-2461, or visit us at www.marmacwire.com !
