

December 10, 2009

To All Evergreen Marketing Preferred Members

Effective December 18, 2009 the Triumph Twist Drill (TTD) brand will have been formally acquired by Minnesota Twist Drill (MTD). All Triumph Twist Drill branded products currently offered in the 2009 MRO / Construction Product Catalog will continue to be available as they were previously.

Minnesota Twist Drill, located in Chisholm, MN has a very long history of manufacturing cutting tools that dates back to the early 1970's. MTD is committed to manufacturing high quality "Made in America" products for customers throughout North America.

Current customers of Triumph Twist Drill will continue to have access to all products. All field sales representatives and remote stocking warehouse locations will remain in place to service customer's needs as quickly and efficiently as before.

All policy's and procedures will remain in effect. For further information please contact your local sales representative or our new customer service dept.
